**Sooty has started to crow!!!!** We are all very sad, Sooty has to leave Wairoa school as he has started to crow. We have popped an advert on gumtree and hope that he will find a new home, where he is loved as much as we love him.

**Earn & Learn:** We are collecting Earn & Learn stickers from Woolworths, and would be delighted if you could collect them for us. Last year we did really well and received some lovely PE equipment which we use at playtimes as well as in class PE lessons. My favourite was the large connect four game which we use in the bottom playground.

**Friends of Wairoa AGM:**
Wednesday 22nd May at 7pm
In the professional library at Wairoa School
Everyone is welcome.

**Trivia Fundraising Night:**
Thank you so very much for everyone who has donated prizes or booked a table for Trivia Night. There is still time to buy tickets as it would be lovely if you and your family and friends could attend on Saturday 25 May at the Randwick Labor Club from 6.30pm
Coffee and chat - Dental Paediatrix Talk:
Every term we have a parents’ meeting, it is a time to meet with other parents and carers. This term on **MONDAY 17th June at 11 am**, we have Dr Jad Clarke who is a dentist and he would like to present a talk on:

**How to manage special needs patients and, how and where to access dental care within the private and public systems.**

Resourcing Families -
Resourcing Families provides information and ideas for families, friends and allies of people with disability so that they can have knowledge, skills, confidence and networks to plan a good life for and with a person with disability. This website was recommended by the parent of one of our secondary students. You can access their newsletter via the following link - [http://mad.ly/5a18b3](http://mad.ly/5a18b3)

Dates for this term and beyond:

**Friends of Wairoa AGM** – All welcome – **Wednesday 22nd May at 7pm at School.**

**Trivia Night** – The Friends of Wairoa’s major fund raiser, **25th May at 6.30pm** at Randwick Labor Club

**Parent’s Meeting: Dental talk** – Dr Jad Clarke – **Monday 17th June 11am.**
