Rose Bay Rotary Club: has donated a new BBQ to the school. John Lennox, their president came and presented it to us at Coffee Shop. We use the bbq throughout the year – the Christmas concert and at our curriculum days, which are held every term, so I know the bbq will be put to good use.
ipads:
We have purchased 4 more ipads so that all classes have at least one and a number have two. Two of the new ipads are 3G so that students will be able to use them and the internet when on community access. This term we are focussing on ipads in our technology meetings.
We are using them to supplement the curriculum that is delivered as well as alternative communication aids. A couple of students have been bringing their own personal ipads to school to use, which is really good.

This week we are delighted:
To welcome Paige, who is a university student from USA who is on placement with us for the rest of this term, plus we have had a number of new volunteers who have started with us, here is Freya, who comes from the UK and wanted to volunteer while visiting our country.

Coffee and chat –

Dental Paediatrics Talk:
Every term we have a parents’ meeting. Come and meet other parents and carers on MONDAY 17th June at 11 am. This meeting well will have Dr Jad Clarke, a dentist, presenting a talk on:

“How to manage special needs patients and, how and where to access dental care within the private and public systems”
Earn & Learn: We are collecting Earn & Learn stickers from Woolworths, and would be delighted if you could collect them for us. Last year we did really well and received some lovely PE equipment which we use at playtimes as well as in class PE lessons.

Dates for this term and beyond:

Trivia Night
The Friends of Wairoa’s major fund raiser
25th May at 6.30pm - Randwick Labor Club

Parent’s Meeting: Dental talk
Dr Jad Clarke – Monday 17th June 11am.

Wairoa Newsletter:
If you would also like to receive your newsletter electronically please let me or the office know ASAP.
Please do not hesitate to contact me if you would like to discuss anything. My email address is Penelope.earp@det.nsw.edu.au.
Have a lovely weekend - Penelope
FREE fun program for kids to become healthier, fitter and happier!

Go4Fun is a healthy lifestyle program to improve health, fitness, self-esteem and confidence in children above their ideal weight. Go4Fun runs for 10 weeks during school term for children and their parents. Sessions are each week for two hours after school and include games, activities, tips on healthy food, label reading and portion sizes plus much more!

A program designed for children with intellectual disabilities will be running during school Term 3, 2013 in:

**Eastern Suburbs**
Commencing 16TH July 2013

To book in to a program or for more information contact:
Emma Sainsbury on 9382 8646 or email emma.sainsbury@sesiahs.health.nsw.gov.au.

Or phone 1800 780 900 or visit www.mendcentral.org/go4fun
