Swimming Carnival

Last week several of our students participated in the combined schools swimming carnival at Cabarita Pool. The students enjoyed the opportunity for some healthy competition and the chance to practice their swimming skills. A big thank you to our very generous staff for their organisation and also to the wonderful group of parents who came along to support their children. Many of our students were lucky enough to take home some winning ribbons and everyone took home some great smiles and memories 😊
**Swim School**

Today is the final day of our two week intensive swim school and it is great to see how the students have improved in a relatively short time. The dedicated DEC swim school staff have worked really hard to develop the students’ skills and it has been particularly pleasing to watch our new kindergarten students become more confident in the water.

**Friends of Wairoa**

A very big thank you to the Friends of Wairoa who have purchased two new washing machines for the school. They certainly arrived at a good time, with swim school creating a seemingly never-ending supply of wet towels to launder!

**Easter Hat Parade**

Only two weeks to go folks, so it’s time to get creative with those Easter Hats and Bonnets. The students love the annual parade and it’s a fun way to end the term. Looking forward to seeing lots of parents, families and friends on Friday 11th.
