Swim School:
This is week one of our DEC intensive Swim School and it has been wonderful to see the enthusiasm of our students and the energy and commitment of the wonderful swim staff.

One of our High School students swimming the width of the pool with great kicking action!

It is amazing how a few days of intensive swimming lessons can really build a child's confidence and ability to learn new skills.

The Birthday Boys!
This Thursday our kindergarten twins celebrated their 5\textsuperscript{th} birthday! Michael and Matthew enjoyed homemade guacamole and Tim Tams with their kindergarten friends.
