Sailing:
What a beautiful way to spend a glorious 27 degree autumn day in Sydney – on the most stunning Harbour in the world! Despite a few queasy moments for some, the excursion was smooth sailing with students, staff and parents thoroughly enjoying the outing. As usual, Sailors with disABILITIES provided an amazing opportunity for our students – building their self-confidence and celebrating positive community interaction.
Mother’s Day:
I’m a Mum – what's your Super Power?
This Sunday is a tribute to all our wonderful Mums out there and I hope you all receive the right royal treatment of burnt toast in bed, some rather dubious presents from school stalls and masses of well-deserved hugs and kisses 😊

Our students have been working on some craft and activities in celebration of Mother’s Day, so I’m sure you’ll be in for some marvelous treats made with love.
